C (Um there was) there/'s[EW:there_was] this pig *that came inside.
C (Um) then (um yeah) he came inside (to) to (checks his teeth) check his teeth
(but) from[EW:with] a dentist.
C (Uh) the dentist mouse he (uh) check/*ed everyone then his wife help/*ed X.
; :06
C (Oh uh) the donkey she wait/ed XX.
C (Um) she wait/ed until the other one is[EW:was] done.
C Every cow they XX because (um the co*) for the cow mouth.
C And take it because (um the tooth) it was a tooth.
E OK.
C They said, "No cat/s or other animal/s in the dentist *office".
C So they saw a fox.
C And (the) it had this X around his neck.
E Mhm.
C And he said, "My tooth very[EW:really] (hurt/3s) hurt/*3s".
C (And he start/ed crying) and then he (um) start/ed crying pretty bad[EW:badly].
C And they did/n't know because (he s*) they said, "He might be *a stranger".
C (Um he talk/ed) he told him to sit down.
C He did.
C So (say) he said, "(What) what is up"?
C The fox said, "My tooth hurt/3s".
C Then (uh Doctor_D*) he went in his mouth and took the >
C He said, "You have a loose tooth".
C "I have to take it out".
C Then he close/*ed it.
C He said, "Mm".
C Then he open/*ed it.
C Then (um) *he put a stick in his mouth.
C (Um) then he pull/*ed out his teeth[EW:tooth].
C And when the fox came out of there he (um) >
C ((Oh yeah)).
C And then they said (um uh), "We/'ll see you (next) tomorrow at eleven".
C Then Doctor_D said, "(I don't) I don't trust the fox".
C (Um he said um he sh* um she did/n't) his wife did/n't hear him.
C They stay/*ed *up all night (think/ing think) think/ing that fox is[EW:was] not >
C And he said, "(I we) I don't know (what) what can we do" [EU].
